BTT Touchscreen Label Printing Bench and Floor Scales

ADAM

Sturdy construction, a smart, intuitive interface and easy connectivity make the BTT Touch-Screen Label Printing Scale the ideal choice for manufacturing facilities, shipping and receiving areas, packing locations, and distribution warehouses. BTT's built-in printer allows users to fully customize and print labels that feature weight, logos, QR codes and bar codes in a variety of lengths, as well as store up to 10 designs in internal memory for frequent use. Connectivity choices include RS-232, USB and optional ethernet, Wi-Fi and Bluetooth. Built to last, the robust BTT features a sturdy ABS plastic indicator and an easy-to-clean stainless steel pan.

The smart choice with touchscreen operation, connectivity and built-in label printing

Key Accessories

Roller Decks
Roller decks fit directly atop bench and floor weighing platforms for easy installation. Galvanized steel rollers rotate in two different orientations for convenient loading and offloading.

AdamDU Data Collection Program
Adam DU quickly collects information from up to eight Adam balances simultaneously. An easy-to-use interface with a main command window allows the user to view and manage data capture sessions.
