# Rice Lake VS-40 Large Dual Ramp Veterinary Scale

The Rice Lake VS-40 veterinary scale features a large dual ramp making it ideal for large animal weighing. This animal weighing scale features a heavy-duty frame and wide ramps to allow for easy, safe and fast animal weighing procedures. Two rubber wheels provide easy and quiet transportation of the scale if needed, which increases convenience at horse shows. Advanced movement compensation technology eliminates involuntary movements made during the weighing process ensuring exact weight information is provided.
